WHAT YOU WILL NEED

- Tape Measure
- Circular Saw or Grinder w/ Diamond Blade
- Adhesive (high temperature)

WHAT'S IN THE BOX

2 Lexington Hearth Wall Boards (4" x 36")
2 Lexington Hearth Wall Boards (6" x 36")
2 Lexington Hearth Wall Boards (8" x 36")

INSTALLATION INSTRUCTIONS

STEP 1.

Unpack wall boards from box. Remove protective foam.

STEP 2.

Determine location and length of wall board and use circular saw or grinder to cut to size.

STEP 3.

Apply adhesive to the back surface of the wall board and attach to installation surface.

STEP 4.

Support the wall board while the adhesive cures.
